

Dear Hiring Manager,

I'm excited to apply for the Bank Teller position at First Horizon Bank. Having a background in customer service and data entry, I'm eager to transition into the finance industry.

Throughout my career working front office operations for an active logistics firm, I developed strong cash management, record, and client interaction skills. I am certain my attention to detail, organizational personality, and people-first philosophy will make me a valuable addition to your company.

Thank you for considering this opportunity further.

Sincerely,

Taylor Brooks
