

Dear Hiring Manager,

I am excited to apply for the Certified Medical Assistant position at Little Steps Pediatrics. My recent externship at Sunshine Children's Clinic provided me with hands-on experiences in pediatric care, including assisting with immunizations and calming young patients during examinations.

I have a true passion for working with children and strive to ensure that every appointment is a pleasurable experience for both patients and their families. I would be honored to bring my positive attitude and attention to detail to your loving team.

Warmly,  
Dana Wells
