

Dear Beloved Legals,

I want to proceed with this application to Veritas Technologies and apply for the post of Corporate Paralegal. Having accumulated four years worth of exposure in contract management, regulatory compliance, and entity formation, I have thus far helped the in-house legal teams actively ensure audit preparedness and organization with their functions.

I am already very familiar with DocuSign, all corporate databases, and NDA workflows, and I am looking forward to working in your fast-growing legal operations.

Sincerely,

Miles Carter
