

Dear Mr. Rahman,

I am very interested in the Immigration Paralegal position at Acclaim Law. I speak Spanish and English fluently and have processed more than 200 cases in family-based petitions, adjustment of status, and consular processing.

I am proud of my skills when communicating heartbreaking news to clients in a wholesome manner while ensuring perfect clarity in all my submissions to USCIS. I would be glad to contribute my experience, heartfelt empathy, and linguistic skills to your immigration team.

Best regards,

Daniela Torres
