

Dear Ms. Keller,

My name is Sophie Grant, and I'm seeking representation for on-camera and commercial work.

I was referred to you by Ben Foster, who mentioned I might be a good fit for your agency's roster. I recently wrapped a co-star role on *Law & Order: SVU* and have a national commercial currently running for Trader Joe's. I believe your team's focus on grounded performers fits my type and trajectory.

I've attached my résumé and headshot and would love to connect.

Sincerely,  
Sophie Grant\
