

Hey Mr. and Mrs. Patel,

So, here's the deal—I'm Nina, and I'm throwing my hat in the ring for the summer nanny gig you posted. Usually, I'm buried in textbooks as an Early Childhood Ed major (I mean, someone's gotta wrangle the tiny humans), but I'll be back in Chicago from mid-May until August and seriously itching for something fun and meaningful.

Last summer? Basically ran the show as a day camp assistant—wrangling a dozen wild kiddos every single day, bossing themed craft chaos, chasing them around outside, and keeping everything (and everyone) in one piece. I'm all about running around outdoors and turning the usual summer break into actual adventures, not just boring afternoons.

Anyway, let's chat! I'd love to hear what your family's vibe is and what your kids are into. Hit me up when you can.

Catch you soon,  
Nina
