

Dear Hiring Team,

I'm excited to apply to Willow Nannies for full-time placement. I've worked with children from infants to age 10 and pride myself on adapting to each family's unique rhythm and values.

I'm currently completing my certification in infant sleep support and am available for weekday, weekend, or travel nanny roles. I've received consistent praise for my reliability, calm demeanor, and ability to form long-term bonds with children.

I'd love to be considered for placement with a warm, engaging family through your agency.

Sincerely,  
Marisol Vega
