

Dear Mr. Holmes,

I'm reaching out about the flight attendant opening at Horizon Air. I'm drawn to your focus on regional service and creating a consistent, friendly flying experience for locals.

As a Seattle native with a background in food service and first-aid certification, I'm eager to bring hospitality and community to your routes. My calm demeanor and positive attitude are strengths I'm proud to carry on every shift.

Thank you for the opportunity.

Sincerely,
Greg Marsh
