

Dear JetBlue Team,

As someone who values creating inclusive experiences, I'm excited to apply for a flight attendant position with your team. Your DEI efforts and commitment to "bringing humanity back to air travel" genuinely inspire me.

My background includes bilingual guest service work, youth mentoring, and conflict de-escalation. I'd be proud to represent JetBlue's mission with empathy, safety, and joy.

Thank you for your time.

Sincerely,
Jasmine Duarte
